Age Group Determination for the 2024-2025 soccer season (fall 2024, winter 2025 and spring 2025) is based on birth year There are separate leagues for Boys and Girls.

U6 Boys & Girls born in 2019 & 2020, U8 Boys & Girls born in 2017 & 2018, U10 Boys & Girls born in 2015 & 2016, U12 Boys & Girls born in 2013 & 2014, U14 Boys & Girls born in 2011 & 2012, High School Boys & Girls born 2007 through 2010. **Children born between 9/1/2010 and 12/31/2010 can register with the HS age group or U14 2009/10 age group. Player must be in eighth grade.**

Volunteers coaches and age group coordinators are critical to the success of the soccer program and are needed in all age groups, please register to volunteer when registering your child. Coaches and Age group coordinators will be refunded the registration fee for their player.

General Recreation program information: Referees will be provided for age group U8-2017/18 and above. **There are no practice sessions for winter indoor soccer.** There are not facilities to accommodate the number of teams. Clinics and leagues will start the first week of January. U8 through HS age groups will play in a multiple recreation council recreation league at NERRC (Northeast Regional Recreation Center). U6 will be held at Chapel Hill and Joppa View Elementary schools.

REQUESTS: We will do our best to accommodate U6-2019/20 and U8-2017/18 team and player placement requests, entered in the form registration question, based on a first-registered/first-to-be-placed basis, however our ultimate aim is to balance teams by age and skill level, this could mean a child would be on a different team and have a different coach than a previous soccer season. U8-2017/18 is the last age group that will consider team and player assignment requests before balancing teams. Requests for age groups U10 through U14 are not guaranteed as these teams are selected by the coaches and balanced the best as possible by experience levels.
